Teacher Description

Dear Students,

My name is **Chris Harris**. Put simply, I still love teaching English after 22 years of being a teacher. I have a Bachelor of Arts degree from the University of Sydney and a CELTA Teaching certificate. I have worked at several colleges in that time and I sincerely believe Salisbury College has been the best one. The teachers are all very dedicated and the staff are wonderful. You've made the right choice! My personal motto for students is simple: Have fun learning English and don't think too much!
