Hello students,  
Welcome to Salisbury College Australia (SCA).  
I have been teaching English to migrants and overseas students on and off for about thirty years. I really enjoy teaching and meeting new people from around the world. I also love traveling to new destinations, interacting with the local people and experiencing new cultures. Learning English will definitely open up a new world for you and allow you to experience new and exciting opportunities. I wish you all the very best of luck in your studies here at SCA and hope you have a memorable learning experience. Thank you and enjoy your time here.

Dear Students,  
Put simply, I still love teaching English after 22 years of being a teacher.  
I have a Bachelor of Arts degree from the University of Sydney and a CELTA Teaching Certificate. I have worked at several colleges in that time and I sincerely believe Salisbury College has been the best one. The teachers are all very dedicated and the staff are wonderful. You've made the right choice! My personal motto for students is simple: Have fun learning English and don't think too much!  
Regards.
